

## 12<sup>th</sup> ART ATTACK SUMMER CAMPS! ©

### SCHOOL AGE: 6 AND UP

"Art à la Mode 3.0" is back with a new twist into the world of art, A TIME MACHINE! Art à La Mode format is unique to Theo, not like any other art camp setting in the country!

Our summer art camp program is designed to explore the exciting world of art and creativity through a wide range of multimedia activities. Campers will explore diverse themes and art media, focus on the creative process, and develop their imagination and creativity!

The theme this Summer is Art is a Time Machine! Art is a glimpse into the hearts, minds and souls of the people, cultures and civilizations that came before us, whether it be Prehistoric, Egyptian or Greek. Artists all worked at different times and regions, yet they all had something to say to us about the times and cultures in which they lived and worked. Inspired by present artists, we are going back on time to learn from the past artists!

- A parent packet will be emailed the Thursday prior to the camp.
