

## THEO ART SCHOOL SCHOLARSHIP APPLICATION FORM

Theo Art School welcomes your scholarship application. It is a simple process. We offered full scholarships to all students that were recommended by school counselors, teachers, and local agencies. We also welcome applications from parents that do not have the financial ability to pay for an art class for their children. During the school year, we award scholarships through this very simple process.

The school was named after Theo Van Gogh, the brother of Vincent Van Gogh, because Theo encouraged Vincent to pursue his dream of art, and supported him financially through his years as an artist. Theo Art School also encourages students to pursue their dreams of art and offers financial help to those in need. We believe every child should have the advantage of a quality fine art education. We keep our tuition as low as possible and we offer full scholarships. There are no additional charges to tuition, and all art supplies are included.

Theo Art School is a private, non profit 501(c)(3) organization. Theo Art School does not discriminate on the basis of race, color, national origin, sex, religion, age or disability. Our funding is limited and we do try to accommodate everyone.
